VENEERS

By

TURAKHIA

™  
**FURROW**  
P A N E L S

For Wood & Art Lovers

For innovation to be effective; a great deal of **IMAGINATION, CREATIVITY** and **INITIATIVE** is required in order to derive a high value.

And as innovation has been an integral part of **Turakhia Natural Veneers**, we are ecstatic

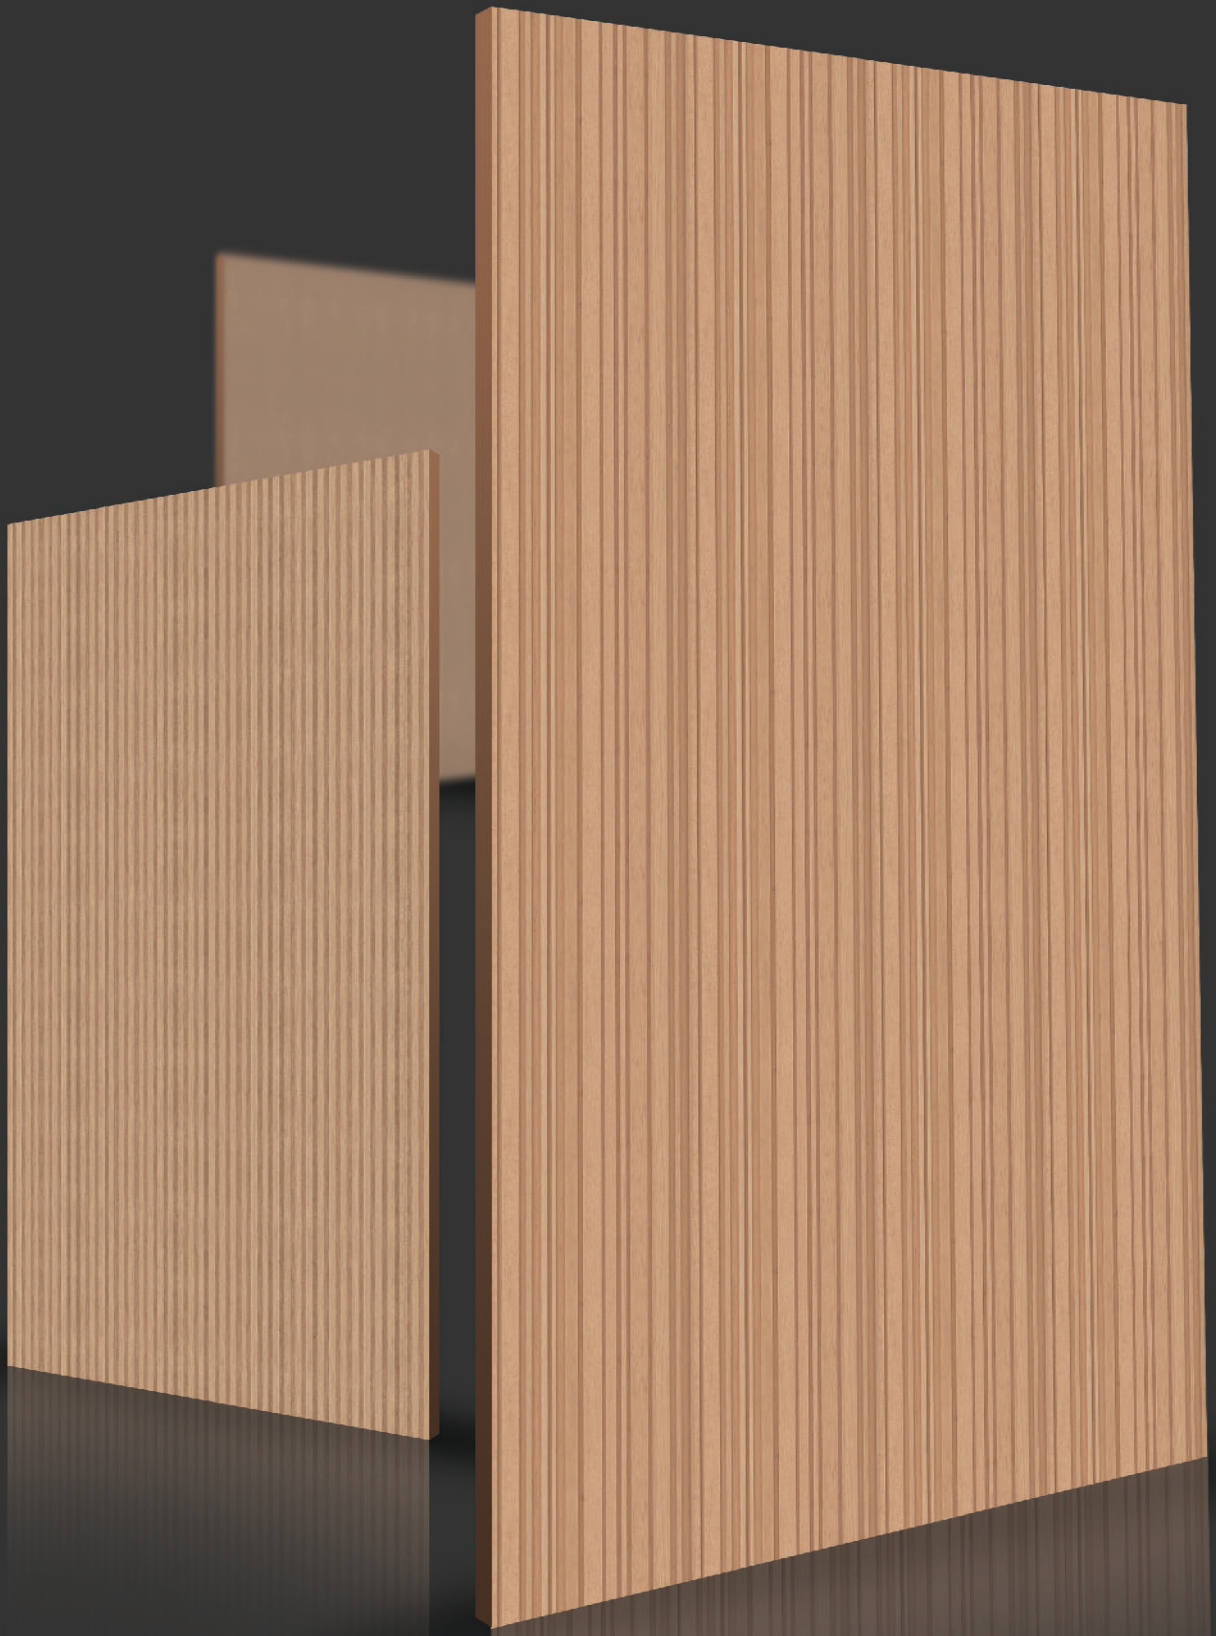

to present our latest innovation : **FURROW PANELS**, and this is our most

**PRECISELY DESIGNED AND VALUE**

driven wood panel till date. Exotic solid wood panels, curated with the help of **CNC** machines for the finest detailing.

*Enjoy the aesthetic treat!*
